

2017 NEW PRODUCT OF THE YEAR AWARDS

All entries must be received by October 19, 2017 to be considered!

The 2017 New Product of the Year award program honors the outstanding product development achievements of manufacturers and suppliers whose products or services are considered particularly noteworthy in helping to improve the learning environment.

BENEFITS OF PARTICIPATION

Increasingly, our readers are asking their colleagues or turning to trusted sources for honest information about companies, their products and services. Your participation in the New Product of the Year Awards is one way that you can provide them the information they are looking for.

Every entry will receive great publicity... in the December 2017 issue of the magazine(s) and on the web. Winners will receive even more.

Platinum and Gold winners in each category will be...

- Recognized by School Planning & Management and/or College Planning & Management and included in the special winners section of the magazine(s)
- Included on the 2017 Award Winners' page of webSPM.com/webCPM.com and spaces4learning.com
- Included in SP&M and/or CP&M promotions and in the official New Product of the Year press release
- Presented with an award suitable for display
- Granted use of the SP&M|CP&M 2017 New Product of the Year logo on all promotional materials related to the winning product.

ELIGIBILITY

1. Products and services must be new to the market as of January 1, 2017.
2. Entries must be received no later than October 19, 2017 for inclusion in the awards program.
3. A company may enter their product or service in the SP&M program, the CP&M program or in both.
4. A company may submit more than one product/service in a category. The same product/service can also be entered in more than one category.
5. A separate entry form must be completed for each entry. A separate entry fee is charged for each entry.
6. All entry form questions must be completed.

JUDGING

All entries to be included in the SP&M and/or CP&M awards program must be received by **October 19, 2017**. Judging will begin after this date. The winners will be announced in December and be included in the December 2017 issue of the magazine(s).

A panel of judges representing all aspects of the industry will be selected by our editorial staff and will review the submitted materials to determine the winners. Awards will be given at the discretion of the judges, and judges have the sole right to determine eligibility. Incomplete or incorrect entries will be rejected. All decisions are final. To ensure fairness, judges' names will be kept confidential. Judging criteria includes features, innovation, quality, durability, design, technical advances and impact on learning. Entry materials become the property of CP&M|SP&M and will not be returned.
